ABOUT CARRY MATERNITY

Rhonda Maternity, a historic maternity boutique in the heart of Yorkville has transformed into Carry Maternity. At Carry Maternity, we provide the same attentive care and impeccable products that have been bringing pregnant mothers into Rhonda Maternity since 1971.

Nourishing Space

Carry Maternity offers new and expecting mothers a nourishing space where they can pamper themselves. Our goal is to provide exceptional care to new mothers, so they can better care for themselves and their babies.

Affordable Fashion

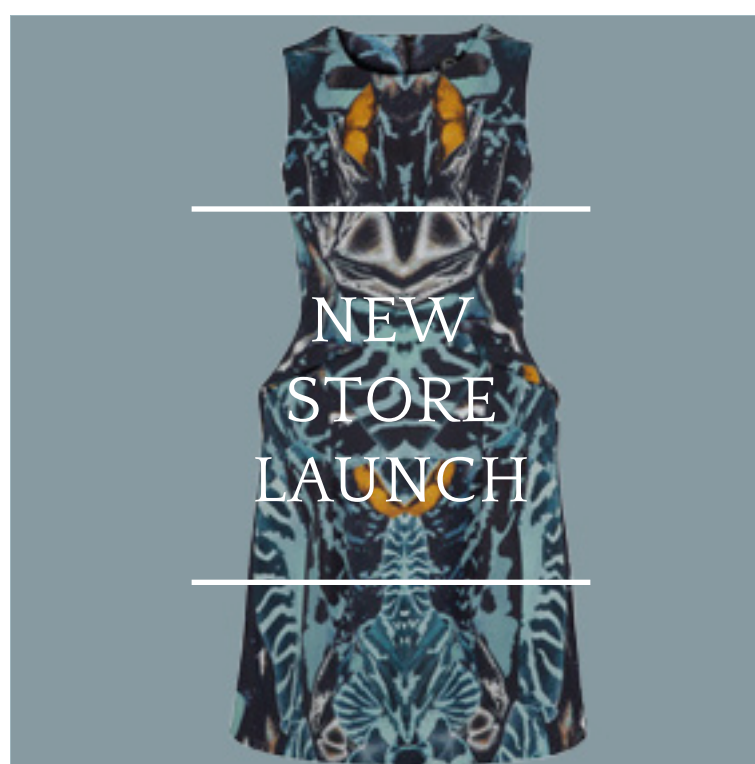

At Carry Maternity we know concerns that come with having your first baby. We will help you to find something on a budget. Our mantra is spend well, spend less.

Pregnancy in Style

Carry Maternity offers a wide-array of original and brand name designs and an exclusive selection of all-natural cosmetics products.

Here to Help

We strive to be a supportive space for new and expecting mothers in Toronto. If you are in the neighbourhood, stop by for one of our workshops, or come in to change a diaper or nurse your child.
